

OER: Workshop

Educational Activity

Story Book Theatre of The Little Fish that Discovered the Sea

Story: The Little Fish

| **Method:** Story Book Theatre

Age group: 12-16 years

| **Groups of:** 25 children

Duration: 90 minutes

| **Preparation time:** 60 minutes

Central topic:

- Developing narrative skills using Power Point Presentations
- Developing students' knowledge about Portuguese legend

Material required:

- Computer for every pair of students
- Instruction how to make animations in Power Point Presentation

The aims of this activity are:

- Making students talk about Portuguese legend
- Developing computer skills
- Inspiring pair-work

Narrative competencies to be developed:

- Listening carefully to the story
- Giving own ideas and developing the plot
- Making dialogs

Step by step approach:

1. Teacher divides the class into pairs.
2. Teacher explains the aim of story book theatre
3. Teacher tells the story about The Little Fish that Discovered the Sea
4. Teacher discusses with students the parts of the plot, its protagonists and the action
5. Students in pairs discuss how to prepare Power Point Presentations, the teacher explains their doubts
6. Students work in pairs or groups on their Power Point Presentations
7. Students present their story book theatres to the rest of the class, telling the parts of the plot one after another
