

OER: Workshop

Activity

The strength of the true friendship

Story: Friends

| **Method:** Dramatised story

Age group: 7-12 years

| **Groups of:** 20-25 children

Duration: 30 min

| **Preparation time:** 1, 5 weeks

Central topic:

- Dramatization of the story „*Friends*“ with a cast of children
- Creating a richer notion of the water world and its inhabitants

Material required:

- Costumes
- Stage props

The aims of this activity are:

- Have access to the art in an informal, friendly environment
- Develop the fantasy and interpretation skills
- Express the messages of the dramaturgical text
- Develop skills for an active communication – between actors and audience, in the conditions of Drama Theater

Narrative competencies to be developed:

- Discovery and encouragement of the artistic talents of the children by the means of the theatre art
- Building an actor-spectator relation in the theatre performance
- Possibility for interpretation and development of the narrative skills and verbal expression

Step by step approach:

1. Making a script based on the story
2. Distribution of the roles
3. Design and production of costumes and props
4. Musical solutions and stage lighting
5. Drama Theatre Performance
6. Sharing insights and impressions
